PROFILE

Results-driven Performance Marketing Manager with 9+ years of expertise leading multi-platform paid advertising strategies across Meta, Google Ads, TikTok, X, and Snapchat. Proven track record of scaling performance campaigns, optimizing ROI through data-driven testing frameworks, and managing high-performing media buyer teams. Combines deep technical proficiency in SEO/SEM with strategic thinking to deliver measurable business outcomes across diverse verticals including fintech, real estate, e-commerce, and sports. Recognized for building scalable marketing operations, executing cross-platform campaigns at scale, and translating complex performance data into actionable growth strategies.

EDUCATION

09/2014 – 09/2018
Giza, Egypt

Bachelor's Degree in Mass communication
Ahram Canadian University - ACU

PROFESSIONAL EXPERIENCE

04/2026 – Present

Business Loop
Performance Marketing Manager

- Developed and executed integrated paid advertising strategies across Meta, Google Ads, TikTok, X (Twitter), and Snapchat, driving measurable ROI and customer acquisition growth across multiple business verticals.
- Planned, launched, and continuously optimized full-funnel performance marketing campaigns, leveraging advanced audience segmentation and bid management to maximize conversion efficiency.
- Designed and implemented comprehensive A/B testing frameworks to systematically improve campaign performance, creative effectiveness, and conversion rates across all active platforms.
- Led and mentored media buyer teams, establishing clear performance objectives, operational standards, and best practices to ensure consistent campaign execution quality.
- Conducted in-depth performance analysis across campaigns, extracting actionable insights from Meta Business Suite, Google Analytics, and platform-native dashboards to inform strategic decision-making.
- Built detailed advertising plans and media calendars coordinating multi-platform campaigns, budget allocation, seasonal opportunities, and audience targeting strategies.
- Applied SEO and SEM expertise to support integrated digital marketing initiatives, enhancing organic visibility while optimizing paid search performance.
- Managed end-to-end campaign operations including creative briefing, audience strategy, budget pacing, performance monitoring, and stakeholder reporting.

2026

Summit PMC
Marketing Manager

- **Spearheaded the establishment of the marketing department**, defining organizational structure, job roles, salary scales, and required technology stack to ensure operational efficiency.
- **Developed comprehensive budget forecasts and resource allocation plans**, presenting detailed proposals to executive leadership to secure funding for team expansion and tools.
- **formulated marketing strategies for diverse sectors** (including medical and financial), aligning marketing objectives with broader business goals.
- **Led the end-to-end recruitment process for creative and technical roles**, including drafting job descriptions, screening candidates, and designing technical assessments to ensure high-quality hires.
- **Managed cross-functional teams**, overseeing task distribution and performance to ensure the timely delivery of marketing collateral and campaigns.
- **Directed performance tracking and reporting across multiple digital platforms** (Facebook, LinkedIn, TikTok, etc.), utilizing data to optimize content strategy and improve ROI.
- **Delivered executive-level presentations on annual performance**, highlighting key metrics, audience growth, and engagement trends to inform future decision-making.
- **Orchestrated go-to-market strategies for new projects**, including teaser campaigns and website content creation, successfully building anticipation and brand awareness.
- **Oversaw content localization and translation initiatives**, ensuring accurate and culturally relevant messaging for bilingual audiences and stakeholders.

- **Collaborated on business development strategies for medical and commercial facilities**, integrating facility management and leasing services into the marketing value proposition.
- **Developed marketing narratives for real estate assets**, highlighting operational and investment benefits to attract potential investors and tenants.

2025 – 2026

Madkhol Capital

Marketing Supervisor

- Led performance-driven media buying operations for Madkhol Platform, managing full-funnel campaigns across Meta and digital ad networks with a strong focus on ROI, conversion growth, and customer acquisition cost optimization.
- Planned and executed multilingual (Arabic-English) marketing strategies that increased brand visibility and drove user growth, particularly across key investment seasons and financial product launches.
- Created educational and data-driven content simplifying investment concepts for different audience segments, boosting engagement and increasing qualified leads.
- Collaborated closely with product, growth, and analytics teams to align marketing initiatives with business objectives, improve customer journeys, and support continuous platform growth.
- Utilized advanced performance dashboards and user insights to enhance campaign targeting, improve retention rates, and maximize the effectiveness of paid marketing spend.

2024 – 2025

Speakol & TMG Online

Marketing Supervisor

- Led media buying operations for Speakol and TMG Online, managing full-funnel campaigns across Meta platforms and Native Ads, focusing on ROI, audience targeting, and performance optimization.
- Developed and executed multi-platform content strategies that boosted brand visibility, supported lead generation, and aligned with seasonal opportunities like Ramadan and Black Friday.
- Created impactful, bilingual (Arabic-English) marketing content tailored to B2B and e-commerce audiences, ensuring consistency across formats and channels.
- Collaborated with cross-functional teams (design, sales, product) to deliver campaigns aligned with brand goals and client needs.
- Produced educational content and continuously optimized media and content strategies based on performance metrics and user behavior insights.

2023 – 2024

Grinta - Ana Ahly App

Team Lead Marketing

- Planned and executed digital advertising campaigns for Ana Al Ahly App and its sponsors, covering media buying, visual production, and platform optimization.
- Led and developed content teams focused on marketing strategy, campaign execution, and audience engagement.
- Managed Al-Ahly SC's official social media presence, ensuring consistent messaging aligned with brand and sponsor objectives.
- Analyzed performance metrics and audience insights to optimize content, boost engagement, and drive measurable marketing results.

2021 – 2023

Augustus Media

Marketing Specialist

- Managed and executed paid marketing campaigns across GCC markets (UAE, Saudi Arabia, Qatar), driving brand visibility and audience engagement through targeted media buying.
- Oversaw marketing efforts for high-profile accounts such as Lovin Saudi, Lovin Dubai, the Arab Basketball Federation, the UAE Handball Federation, and the Saudi Volleyball Federation.
- Developed and implemented social media strategies that boosted brand awareness, follower growth, and engagement rates.
- Created bilingual content and coordinated with internal teams to ensure marketing initiatives aligned with broader business objectives.

2016 – 2020

Al Ahly Sporting Club

Content Acquisition

- Managed club social media accounts with consistent brand messaging while creating engaging fan-focused content.
- Developed and executed marketing campaigns to maximize fan engagement and platform growth.
- Analyzed performance metrics to refine strategies and improve social media marketing results continuously

KEY PROJECT

2026
Direct project

The Economic Seerah — YouTube Series
Content Strategy, Scriptwriting & Channel Growth · with Dr. Basem Elewa

- Created the series concept and content strategy: retelling the economic lives of the Prophet's Companions through trade, deals and financial decisions, with each episode's angle, title and hook.
- Wrote and developed the scripts for the long-form episodes.
- Managed the channel's growth: YouTube SEO, thumbnails, publishing schedule and analytics.

▸ **786K+ views across 15 episodes** ▸ **52K average views per episode; top episode 356K**

▸ **20x+ the earlier series' average views per episode** ▸ **78.5K-subscriber channel**
